GOVERNMENT STOPS TIMBER CUTTING

One Man Arrested on the
Charge of Taking Timber
Near Leasburg Dam.

Las Cruces, N. M., Sept. 15.—P. W. Dent, of El Paso, assistant inspector for the United States reclamation service, was in Las Cruces yesterday investigating the taking of timber from reserved land near Leasburg.

Some time ago Victorio Yarra went before the local land office with an application to file on certain land on the west side of the river, opposite the Leasburg diversion dam. His application was refused and he returned to him, because the government had withdrawn the land in question from public entry. Acting upon the advice of friends and lawyers Yarra remained upon the land and cut timber from it. Inspector Dent caused his arrest upon criminal charge several days ago. Yarra being released under bond, and the case will be heard tomorrow before commissioner Chaffee.

Civil suits have been filed against C. I. Hill, Henry Keese and Sam Rhodes to regain possession of land which had been withdrawn, and which they had filed upon in the same manner as Yarra's.

In connection with the Yarra case, nine warrants will be issued this week against people who have been taking wood from the proscribed land, these people claiming that Yarra had sold them the wood after his arrest and release on bond.

The land involved is on the west side of the river directly opposite the Leasburg diversion dam, and is heavily wooded.

A SAFE MEDICINE

The reason the Bitters is so popular and safe for every member of the family is because it contains no nauseating or habit-forming drugs, and the weakest stomach can retain it. Therefore, take

Fortune Telling

Does not take into consideration the one essential to woman's happiness—womanly health.

The woman who neglects her health is neglecting the very foundation of all good fortune. For without health love loses its lustre and gold is but dross.

Womanly health when lost or impaired may generally be regained by the use of Dr. Pierce's Favorite Prescription.

This Prescription has, for over 40 years, been curing delicate, weak, pain-racked women, by the hundreds of thousands, and this too in the privacy of their homes without their having to submit to indelicate questionings and offensively repugnant examinations.

Sick women are invited to consult Dr. Pierce by letter free. All correspondence held as strictly confidential. Address World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

Dr. Pierce's Great Family Doctor Book, The People's Common Sense Medical Adviser, newly revised up-to-date edition—1000 pages, answers in Plain English hosts of delicate questions which every woman, single or married, ought to know about. Sent free, in plain wrapper to any address on receipt of 21 one-cent stamps to cover mailing only, or in cloth binding for 31 stamps.

The Slim Woman Is Winning

The day of the slim woman's triumph has arrived. "The thinner one is, the more stylish," say the dressmakers. This would have been sad news for the fat woman a year ago. She would have had to try dieting or exercise. Nowadays, however, the woman who is too fat for the styles goes to a druggist and gets a case of Marmola Prescription Tablets, one of which she takes after each meal and at bedtime and so reduces her superfluous flesh quickly.

These tablets, being made in accordance with the famous prescription, are perfectly harmless, and they are, also the most economical preparation a person can buy, for they cost only 75 cents a large case, one of which is frequently enough to start a person to losing fat at the rate of 12 or 14 ounces a day. Pretty nearly every druggist keeps this tablet in stock, but should yours be sold out, you can easily obtain a case by sending to the makers, the Marmola Company, 737 Farmer Bldg., Detroit, Mich.

TO START ON NEW CRUCES BUILDING

Riley Block Will Be Started
on October 1; to Be
One Story.

Las Cruces, N. M., Sept. 15.—The new J. H. Riley block, which is to replace three business rooms on Main street, will be started on October 1. The plans of the present rooms having been given notice to vacate by that date. The original plan of the building has been abandoned and all bids were rejected. A contract was then made with the Bacon-Porter company for the construction of the new building, to be one story in height and to contain one large store room and one of the ordinary size. Both these rooms have already been rented, one for a dry goods store and one for the Katsenstam confectionery and ice cream parlor.

CRUCES MAN HELD FOR GRAND JURY

Charged With Theft of Alfalfa at Anthony; Bond
Fixed at \$1000.

Las Cruces, N. M., Sept. 15.—Eduardo Elias, of Anthony, Tex., has been bound over to await the action of the grand jury on a charge of grand larceny and on a \$1000 bond. Elias is charged with having taken three cuttings of hay from the six-acre farm owned by Mrs. M. L. Coe near Anthony, N. M. When a deputy sheriff from Anthony arrested Elias, he took refuge on the Texas side of the line. Requisition papers were then secured and Sheriff Felipe Lucero went to Anthony and brought the man here last week, where he has been confined in the county jail awaiting trial.

LIGHT RAINS AT CRUCES AND IN THAT VICINITY

Ranges in Good Condition—Methodist Women to Give Larny Party.

Las Cruces, N. M., Sept. 15.—Dr. Julius Wagner, of El Paso, was in Las Cruces yesterday on business. He owns land on the west side of the river and was here on business connected with it. Joe Kessel was in from Organ yesterday and reports that several of the mines in that district are putting on more men, but that there is as yet no noticeable activity.

Mr. and Mrs. Frank Hawley are spending the week in the Organ mountains near the Stephenson-Bennett mine.

Frank Hawley Jr. returned from a two-days' trip to the Organ mountains yesterday.

Mariano Islas, of Santa Teresa, is the guest of his brother, Frank Islas, and family for a few days.

Mrs. Hugh Clary is expected home tonight from a visit of several weeks with relatives at the home of Mr. and Mrs. J. C. Baker, of St. Louis. Mr. Clary went to El Paso yesterday to meet her.

Mrs. Emma R. Baker, of Pittsburg, Pa., is in the city for a visit of two weeks with her brother, D. F. Baker, and wife.

A light shower yesterday and last evening helped to lay the dust in Las Cruces. From the sudden cooling of the atmosphere there must have been heavy rains near here. Reports from the Organ mountains and the Coyote and Turney cattle ranges are to the effect that the country in those localities received a good wetting.

Martin Lohman is expected back next month from his summer outing at his country home on the coast of Maine.

John H. Ingelside, of Loganport, Ind., was in Las Cruces yesterday and today, stopping here to see the town on his way home from a trip into the heart of Mexico.

The women of the Methodist church will hold a lawn social on Friday evening at the home of Mrs. Broadbent. There will be ice cream and cake served and a musical program has been arranged for the evening.

P. F. Matthews, fire insurance inspector for the southwestern territory, was in Las Cruces yesterday from his headquarters in San Francisco.

H. B. Holt accompanied his son, Edwin, to Culver, Ind., last evening, where Edwin will enter the Culver Military academy.

LAS CRUCES HOTEL ARRIVALS.

Las Cruces, N. M., Sept. 15.—Arrivals at the Don Bernardino hotel—J. F. W. Hall, Denver; J. J. Sullivan, St. Louis; Bill Ladas, Los Angeles; M. H. Shapard, Los Angeles; M. Rosenblum, Chicago; A. O. Finch, St. Louis; P. W. Nelson, Kansas City; C. E. Jones, Denver; W. W. Boyd, Marfa, Tex.; W. T. White, Kansas City; P. W. Dent, El Paso; S. F. Ballin, Albuquerque; James C. White, El Paso.

BIDS FOR BUILDING NEW WALZ STORES

Bids are being received for the rebuilding of the first floor of the Walz building on El Paso and San Francisco streets. The north room of the building is to be converted into five store rooms, 18 by 20 feet, with plate glass fronts set in copper and brass trim.

The rooms will all front on San Francisco street opposite The Herald building, and the new Schurz building. The El Paso street front of the building is also to be remodeled to conform to the appearance of the San Francisco street front. A new sidewalk and other improvements are to be made to the building by W. G. Walz.

NEW HOTEL IS NOW NAMED THE FISHER

It's "The Fisher." After offering as a prize a free room and bath to the person suggesting the best name for his new hotel, John Fisher copped the prize by calling his new hotel after himself. The Fisher will be open in time for the El Paso fair, and will be conducted as a modern European hotel.

The delay in finishing the hotel has been caused by the failure of the hardware lumber to arrive from the mills. The fixtures of the Fisher bar are now being installed on the first floor of the hotel part of the building and will be connected with the lobby and office.

A CONCRETE VAULT FOR POPULAR STORE

A two story storage vault of reinforced concrete is the latest wrinkle in fireproof construction in El Paso. Architect M. C. Gibson has completed plans for the construction of such a vault at the Popular store for keeping all of the records and accounts of the dry goods company. The vault is to be built on the northeast side of the Masonic Temple building inside of the Popular store. It will be of heavily reinforced concrete with an insulation of three feet of concrete. The walls of the vault will be 12 inches thick and the top will be of heavy steel.

WASHING THE FACE OF SHELDON HOTEL

The Sheldon building is having its face washed. A force of men is at work on the west side of the big building, scrubbing the red pressed brick and terra cotta of the outside wall, as if they were scrubbing the hurricane deck of an excursion steamer on an unusually rough day.

The east side of the building has been washed and scrubbed and the two plaza fronts are to receive the same soap and water treatment as is administered to a small boy on Saturday night. As rapidly as the brick and terra cotta is cleaned the woodwork of the building is being painted white.

FINISHING UP THE NEW ROBERTS-BANNER STRUCTURE

Turtle soapstone tiling is being placed on the columns of the Roberts-Banner building. The tiling is capped with a monogram tile bearing the letters "R-B." These are on each of the columns of the new building as a part of the decorative scheme of the skyscraper.

The Bloch Millinery company's room on Mesa avenue has been occupied and W. T. Hixson is moving into the north-east corner room of the first floor. The southwestern railroad city office is in the northwest corner, having moved Saturday. The new fixtures of the office have not arrived and the downtown office resembles a mining camp's rough station, with improvised counters and unfinished fixtures.

MESA AVENUE AGAIN OPENED FOR TRAFFIC

The going is good again on the Mesa avenue sidewalk entering San Antonio street. The improvements to the Popu-

lar store and the construction of the new Caples building have blocked the sidewalks on both sides of Mesa, making it necessary to travel in the street in going from San Antonio to Texas or the reverse. Both of these walks have been opened for traffic and the street cleaned of the debris.

EL PASO STREET TO BE PAVED.
El Paso street is to be paved from San Francisco street to West Missouri. This part of El Paso street has been widened from Main street to San Francisco and the property owners are making an effort to have the entire street paved to Missouri street.

MINING AND OIL NEWS.

TEMPERARILY CLOSES DOWN ITS MINES AND LEASES PROPERTIES FOR ANOTHER YEAR; IMPROVEMENTS PLANNED.

Mangus, N. M. Sept. 15.—An official statement says: "Rather than risk a reorganization we concluded to temporarily close down our works, and if possible, secure extensions of time for the payments. In this we have been very successful. All important contracts have been extended for one year except one and in this case we have a favorable promise. In June we secured an option on 1200 acres known as the Tulloch group. The purchase price is to be \$350,000, the first payment of \$37,500, to be made on November 24, 1911, balance equal payments on November 24, 1912, and on November 24, 1913. Everything considered the acquisition of the Tulloch group with its mill site, has added an immense value to the mineral holdings of the company. We have now approximately 2500 acres under option."

DOLORES COMPANY ABSORBS A CHIHUAHUA COMPANY

The stockholders are asked to transfer their shares of stock of the Mines Company of America in Chihuahua through the United States Mortgage and Trust company, of New York, on the basis of one \$10 Mines Company share for each \$5 Dolores share, which is on the basis of 10 for 1 on the old basis of Mines Co. capitalization. The Dolores company for the quarter ending with June earned \$116,970 net, or \$28,900 above its dividend requirements.

SACRAMENTO PROPERTIES IN SONORA TO BE EXPLOITED

W. E. Pomery, general manager of the Mina Mexico Sacramento in the Yaqui river region beyond Tonichi, is arranging for exploration of these properties upon an extensive scale. They have been extensive producers of silver in former years.

EL PASO TIN MINE CO. TO INSTALL NEW MILL

The El Paso Tin Mining and Smelting company expects to put its concentrating mill and smelting works in operation during September. The mill will employ a dry process. The mines are at Camp Florella on the east side of Mount Franklin, near El Paso.

URIQUE COMPANY SECURES SEVERAL MORE PROPERTIES

The Urique Mining and Smelting company, of Chihuahua, has acquired ground in the old Urique district and has begun active work. The company is financed in El Paso.

EDITORS WILL HAVE A TEDDY BANQUET

Feast Like One Given Col. Roosevelt at Cheyenne For El Paso Fair.

T. R. has nothing on the editors of the southwest. They are to be given a life sized chuck wagon feed during the annual meeting of the Southwestern Editorial association, which will be held in El Paso during the week of the El Paso Fair and Exposition, October 29 to November 6.

When Teddy visited Denver on his recent swing around the circle, he was entertained at a chuck wagon feast by the Press club of Denver. But the hard of Oyster Bay is only an associate editor and is entitled to consideration as such. Not so the scribes of the southwest. Each a full fledged editor in his own right and takes orders from no one but the office devil.

The editors who compose the Southwestern association are to be the guests of the fair association at a big outdoor dinner, which will be given at the fair grounds on Statehood day, Thursday, November 3. On this day, when the acquisition of statehood by the twin territories will be celebrated in El Paso, the big chuck wagon feed will be given at noon under the trees at the fair grounds. In addition to the editors of the southwest, the governors of the two territories and other prominent visitors will be the guests of the fair association, and will Architect M. C. Gibson has completed plans for the construction of such a vault at the Popular store for keeping all of the records and accounts of the dry goods company. The vault is to be built on the northeast side of the Masonic Temple building inside of the Popular store. It will be of heavily reinforced concrete with an insulation of three feet of concrete. The walls of the vault will be 12 inches thick and the top will be of heavy steel.

A genuine cow ranch chuck wagon, manned by real cow puncher cooks, is to be brought to town for the big feed, and each editor and invited guest will have to take his turn at the hind end of the camp kitchen, and eat his fill.

If you are blessed with a good stomach, be thankful and make up your mind to keep it good.

If you have a bad stomach; one that makes you feel miserable after eating; one that turns your food sour and causes gas to belch up in the mouth, then you want to get busy at once and turn your bad stomach into a good one.

How can this be done? you ask.

Simply by using daily the best prescription for stomach ailments ever written.

What is the name of this prescription? Wherever civilization exists it is known as MI-O-NA.

Kelly & Pollard sell it for 50 cents a box; they do more: They guarantee it to relieve stomach distress, in five minutes; they go even further, and say: If MI-O-NA doesn't cure indigestion, acute or chronic, or any diseases caused by stomach disturbance they will give you your money back, without any haggling or red tape.

And this guarantee means that MI-O-NA stomach tablets, as most people call them, will cure biliousness, nausea, nervousness, heartburn, foul breath, nightmare, and sleeplessness.

It means that MI-O-NA is such a wonderfully good remedy that it quickly turns a bad stomach into a good one, that will stay good, strong and vigorous, just as long as it is treated right. Try MI-O-NA ye men of weak stomachs; you take no risk. It is guaranteed by Kelly & Pollard and druggists everywhere.

Flags on all sides of the plaza next week.

Colors to float from tops of many buildings after Wednesday.

Flags will flank the plaza on four sides when the Roberts-Banner building is completed. A new flagpole has been erected on the top of this concrete building and will have a flag hoisted from its top during the entire year. Across the plaza the big steel flagpole will have a 18-foot flag floating from its masthead after Wednesday, when the 30-day period of mourning for mayor W. F. Robinson and fireman F. T. Ware will have expired. The St. Regis hotel has a pole on top of the building which is used on special occasions. The federal building has a flag flying from its pole each day in the year by order of the federal government. The weather signal tower on the Southwestern building also flies a weather signal flag each day, making an array of bunting equal only unto a Mexican holiday.

The Hall Room says in The Herald. Watch 'em.
